

SCORING POWER . . . Three returning lettermen who will boost the offense of the El Camino basketball team this season are (left o right) Bob Garrett, Tike Karavas and Bob Hale.

North Hi Teams Elcam Grapplers Edge Out Valley YMCA Champs Receive Honors

North High school football players were honored at a recent studentbody assembly program following the Saxon's winning of the Pioneer League championship.

Coach Bob Shoup introduced his squad and commented on their performance and Captain Ernie Thomsen presented the team trophy to Dale Harter, principal; and Mike Cummings, studentbody president.

Junior Varsity coach Don Garrison, introduced his squad as did Bee coach Harry Phillips and Cee coach Melton Nygren.

Sparked by the come-through performance of Heavyweight Laurie Belger, El Camino College edged the Centinela Valley YMCA, boasting three Hungarian and two American National Champions, 19-16 in another thrill-packed evening of wrestling on the Warrior mats Thursday night.

El Camino's team chances of winning were hurt by injuries suffered by first men Frank Addleman (147) and Bob Guy (157), who are out with cracked ribs from last week's meet with Camp Pendleton.

Clyde Caruso (123) of El Camino won his first match by forfeit.

Foster Johns (130) of El Camino scored a takedown, near fall, and longest time on top position to blank Jack Graef 6-0.

Cliff Guillory (137) of El Camino scored two takedowns, a predicament, and an escape before pinning Pete Pigliese in one minute and 50 seconds of the third period.

Joe Mount (147) of Centinela Valley YMCA, who was a three-place finisher in the Eastern Inter-Collegiate championships in 1940-42 and Champion of the Far West in 1956, scored a takedown, reverse, and escape before pinning Colman Polvado in one minute and 32 seconds of the third period.

Roy Macias (157) of the Y, three time qualifier for the Olympic Finals, Midwest, Central, Illinois, and Iowa AAU Champions and wrestling for 20 years, decisioned Bob Engelhorn 5-3 by scoring a takedown, reverse and longest time on top position to a reverse and escape for Angelhorn.

Steve Buckalew (167) of El Camino scored a reverse and takedown to edge Ricardo Real, who was South Pacific AAU Champion in 1956 and second place California State Junior College Champion in 1956, 4-2.

Julius Beno (177) of the YMCA ex-Hungarian National Champion, scored a takedown and predicament before pin-

Cancel Practice For Adult Teams

Wenzel Hubel (191) current AAU Champion, 1957 and 1958 scored five takedowns, one reverse and an escape to defeat Wayne Atkins 13-8. Atkins scored five escapes, one takedown, and one point for an illegal move by Hubel.

With the score of the meet tied 16-16, Laurie Belger of El Camino defeated Tom Holmes, second place National AAU Greco-Roman Champion 4-0 with a reverse.

Adult basketball practice sessions at North High School have been cancelled until Jan. 6, according to Adult Athletics Director Elmer (Red) Moon of the Torrance Recreation Department.

He said the program had to be suspended because the school's gymnasium floor is being refinished.

BEST WISHES

For you and yours we wish a season that will fill your home with joy and laughter.

Physical Education Available for All Students at Torrance High

Physical Education at Torrance High School is for all of the students. Not all of the activities of the Physical Education program are as startling as the football games, basketball tournaments, or baseball games played on the regular inter-school athletic schedule, according to Harold S. Widney, Torrance High School Curriculum Coordinator.

Many activities are less spectacular in nature than the last second touchdown try, or the breath-taking swish of the ball through the net in the last second of play. Most Physical Education activities are scheduled as a regular part of the program for non-athletically-minded students. Activities must be provided for students of limited physical ability, as well as those endowed by nature with well-coordinated, finely developed bodies.

ONE OF the activities of particular interest recently was an archery meet sponsored by the girls' Physical Education department and the Administration of Torrance High School for students from the adaptive program of Physical Education. This archery meet featured all the girls in the adaptive classes in P.E. from Santa Monica High School and Torrance High School.

Students in the adaptive program in P.E. are those students who are physically limited to sports of a less active nature than those featured in the regular P.E. classes. Students are recommended to the adaptive Physical Education program by their doctors and often such students are strictly limited as to types of activities they may enjoy.

Several novelty rounds such as balloon shooting and shooting an apple from the head of a stuffed dummy were included. Participants in the match were given a short rest period at the half-way mark, at which time the girls were served refreshments of hot chocolate and cookies. The match was won by Torrance High School. The contest represented a coordinated activity involving not only the Physical Education department, but other classes too. The Art classes made the award ribbons and a large sign welcoming Santa Monica girls—the adaptive classes were re-

responsible for programs, name tags, cookies and field markings.

ANOTHER PHASE of the boys' Physical Education, was presented recently when parents of the basketball and wrestling team members were invited to Torrance High School gymnasium for an evening meeting by Bill Hoag and Will Boerger, wrestling and basketball coaches. Parents were presented a series of lectures, demonstrations and discussions regarding the technical terms involved in the sports of basketball and wrestling. This meeting, the first of its kind at Torrance High School, was called to explain to the parents the various technical terms, rules and regulations of the sports.
